

Dear Parents and Carers,

Over the Christmas holidays please could you continue to regularly read with your child at home, whether it be school reading book, new Christmas books or magazines, etc to support your child's learning and also the consistency between home and school. We have also attached some high frequency words that your child is expected to read and spell accurately in Year 2.

Regarding numeracy, number bonds to 20 and general mental arithmetic, including the 10, 5, 2 and 3 (to challenge!) times tables would also benefit your child's knowledge and understanding as we approach the new school term.

We would like to take this opportunity to thank you for your support this year and wish you all a very Merry Christmas!

Many Thanks,

The Year Two Teaching Team.
