Dear Parents,

European Languages Day occurs every year on the 26<sup>th</sup> September, as a school we have done various activities over the years but we want to make this year bigger than ever ... and for that we need your help.

You may have already noticed our speech bubble displays at the front of school celebrating some of the many different languages we speak at Warstones but we believe there is still more we can do.

In order to enhance our multicultural display, we want to look at the languages spoken by not only our children, but also the staff and you, the families. It may be that your child doesn't speak a particular language but you or even your parents and wider relations do. (and no, not just European Languages – we are interested in all languages.)

It would be fantastic if you could complete this short survey informing of the different language(s) you speak at home and better still if some of you were able to write something in that language (tell us what it means) and send it in with your child(ren).

Our aim is to get a full picture of the languages spoken within our school community and then allow the children to present our findings in a variety of ways – all of which will hopefully then be added to our ever-expanding display.

Please complete the slip below to help us with our initial survey. **Completed slips need to be returned no later than Friday 15<sup>th</sup> September.**

Many Thanks

Miss C Hammond
